LAS RESIDENCIAS

ESTILO GLOBAL CHIC EN LA UBICACIÓN MÁS CODICIADA DE MIAMI

EL ARTE DE VIVIR EN LA CIUDAD

Viceroy Brickell, en el corazón del Centro Financiero de Brickell, es la oferta más novedosa de los principales promotores inmobiliarios Related Group y GTIS Partners. Se trata del primer proyecto residencial independiente de uno de los nombres más respetados de la hostelería de lujo, la marca Viceroy. Diseñado con maestría por el estudio de arquitectura de fama mundial Arquitectónica, con interiores cuidadosamente seleccionados por el renombrado Meyer Davis Studio, el equipo de hospitalidad de Viceroy Hotels & Resorts se encargará de administrar cuidadosamente Viceroy Brickell para garantizar que todos los deseos de los residentes se cumplan e incluso se superen.

An architectural rendering of the Viceroy Brickell residential complex at dusk. The image features three prominent high-rise buildings with curved, tiered facades. The central tower is the tallest, reaching towards a deep blue sky with soft, wispy clouds. To its left is a slightly shorter tower, and to its right is another tower with a more traditional rectangular form. The buildings are illuminated from within, with warm yellow lights visible through the windows and balconies. The base of the buildings is a multi-story glass-fronted structure, also lit up. In the foreground, a body of water reflects the lights from the buildings and the sky. Two large, modern yachts are docked at a pier in the water. The overall atmosphere is one of luxury and modern urban living.

“Con sus bancos, sus relucientes rascacielos, sus hoteles de gran altura, su accesibilidad a pie y su amplia oferta de restaurantes, para mí Brickell se parece más una mini-NYC que la Miami de la imaginación popular, salvo que todo está a tiro de piedra de la hermosa bahía de Biscayne, con sus centelleantes aguas salpicadas de barcos y bordeadas de palmeras”.
